ABOUT US

With nearly 30 years of experience, Division 9 provides top-notch flooring solutions for businesses. Polished concrete and coatings are the preferred choice for durable, low-maintenance flooring in high-traffic areas. Let our team show you how concrete can bring both beauty and resilience to your next project. With our creative approach, we'll help you see the true potential of your floors. Trust D9 for quality flooring, installation, and care, serving building owners, end-users, and service providers alike.
